MOTOR COMPANY

LINCOLN SYNC[®] 3 MAP UPDATER

USER GUIDE ABOUT NAVIGATION UPDATE

To provide the best possible experience with your SYNC® 3 Navigation System, Lincoln and NNG, the navigation software provider, offer 5 years of free map updates (1 update a year) from the day you purchased the vehicle. So do not miss any of these updates and get them now!

How? This guide helps you!

TECHNICAL REQUIREMENTS

- A USB drive (minimum size 4 GB)
- Broadband internet connection
- One of the supported operating systems, installed on your computer:
 - Windows: the latest and two earlier versions are supported
 - MacOS: the latest and two earlier versions are supported

To update your Lincoln SYNC® 3 Navigation System, follow these steps:

INSTALLATION OF LINCOLN MAP UPDATER

- Visit lincoln.naviextras.com and download the proper operating system version of Map Updater
- After installation, start Map Updater
- Create an account by adding:
 - A valid email address
 - A password
 - Your vehicle's VIN number for identification

(Go to Settings → General → About SYNC menu of the head unit and find the vehicle identifiers).

Do not forget to ask for notifications about the latest available maps!

DOWNLOAD THE MAP UPDATE

- If you are entitled for any updates for free and the latest but not yet installed version is available for your vehicle, Lincoln Map Updater will offer it for you
- After choosing the desired update package(s), insert the USB drive and select it to install the updates

UPLOADING THE LATEST NAVIGATION CONTENTS TO YOUR LINCOLN SYNC®3 SYSTEM

After a successful installation:

- Insert the USB drive to the head unit
- Start the navigation system
- Apply the changes

Now your
SYNC® Navigation System
is up-to-date with the latest
available contents and ready to use!

Have a safe journey!

For further assistance, please read our FAQ section
within Lincoln Map Updater or contact your dealer.

WHY TO USE UPDATED MAPS

Keep track of changing roads

Each day, more and more changes are made to the road network worldwide, so there is a good chance that a part of your journey will be affected.

I. SAFETY

***OPTION FOR SAFER
AND MORE RELAXED DRIVING***

Anyone can encounter disturbing mistakes in route planning that are often thought to be the fault of the navigation system. In fact, the most common reason for errors in route calculation is due to outdated maps.

II. EFFICIENCY

***OPTIMIZED TRAVEL TIME
& FUEL CONSUMPTION***

By using updated maps the system saves you time for optimal route planning. Using updated maps may also reduce the average fuel consumption of your vehicle by up to 12 percent.

III. CONVENIENCE

***COMFORT & EFFICIENCY
IN LOCATING PLACES OF INTEREST***

Along with displaying the latest road network, updated maps also revises the database for available places of interest. It includes a list of gas stations, ATMs, pharmacies, restaurants, accommodation and many other places that you may need while you are traveling.
